

Because

Written by Christy Hoagland and Daniel Yoder

Verse 1

It's all my fault, I'm the guilty one
I caused the death, of His One and Only Son
I cannot deny, what is clearly mine
Because of me, someone had to die

Chorus 1

Jesus, Jesus
Because of me, You had to die

Verse

When the Father sees my sin,
He sees the cause of His Son's death
The anguish and the suffering,
All to pay my debt
I'll never grasp the price, or comprehend the cost
Because of me, (my) Jesus hung upon that cross

Bridge 1

Oh forgive me, please forgive me
Jesus

Bridge 2

I'm holding out my faith, to the One who gives me grace
Jesus

Verse 3

While I was still helpless,
Christ gave Himself for me
God proves His own love
Christ's blood was spilled for me
Reconciled by His love, to all who will believe
Because of You, Jesus, I have been set free

Chorus 2

Jesus, Jesus
Because of You, I live

Ending

I'll take hold of You (Jesus)
Like You took hold of me
Jesus
